

Platinum Pro Plus Series

Smarter.
Brighter. Greener.

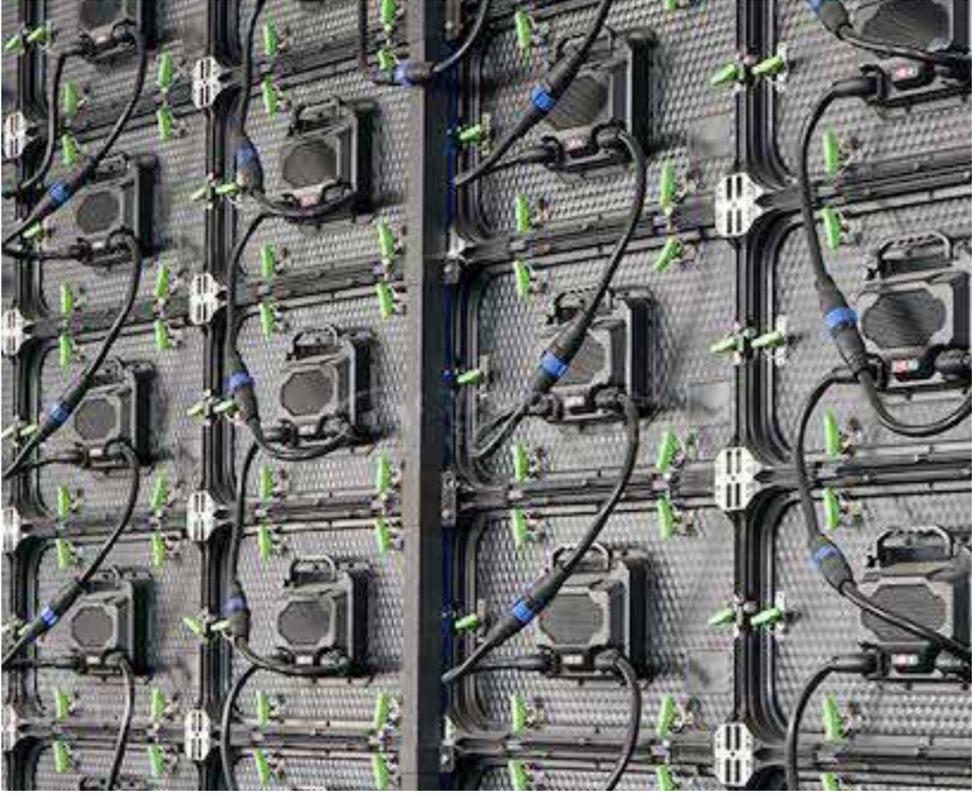

Indoor Fixed Installation Product

- **100% Front & Rear Maintenance**
All modules, power supply & other parts can be dismantled from the front & back.
- **High-end & Sturdy Panel**
The panel protects the lamp grains from bumping & necrosis.
- **Symmetric Modules**
There is no difference between left and right modules and can be used interchangeably.
- **Easy Installation**
Specially designed for wall-mounted projects, no special maintenance access is required.

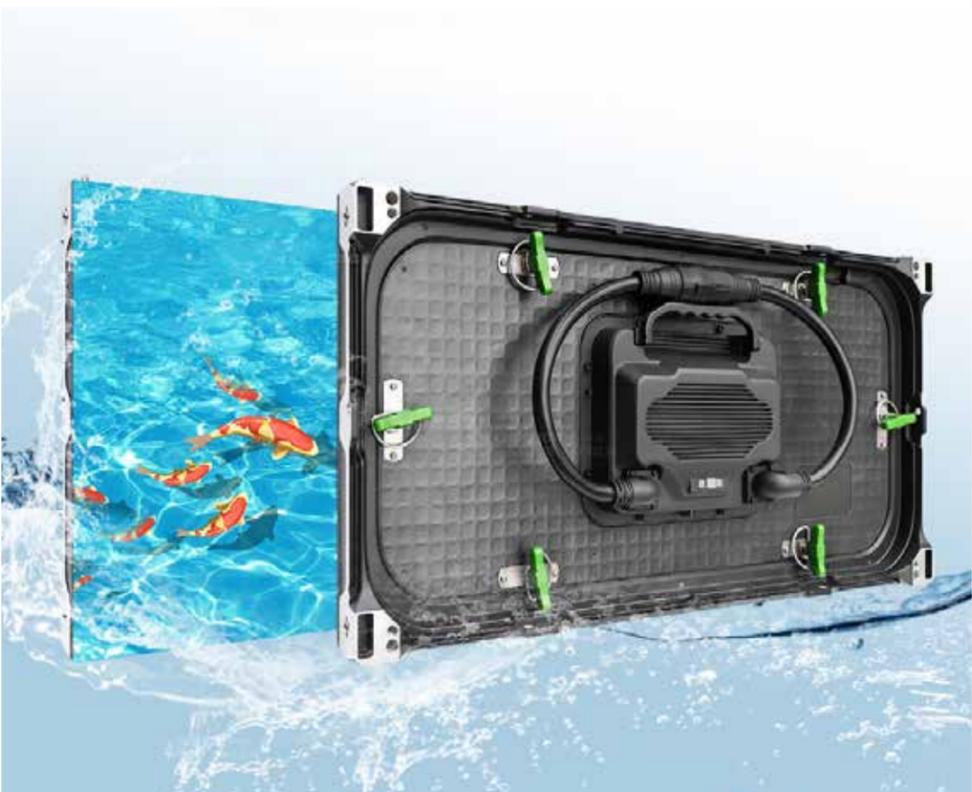

The perfect LED solution for:

Billboards | Hospitality | Sports Stadiums |
Entertainment Venues | Retail | Manufacturing

Modular systems that are easy to install, assemble, disassemble, & maintain.

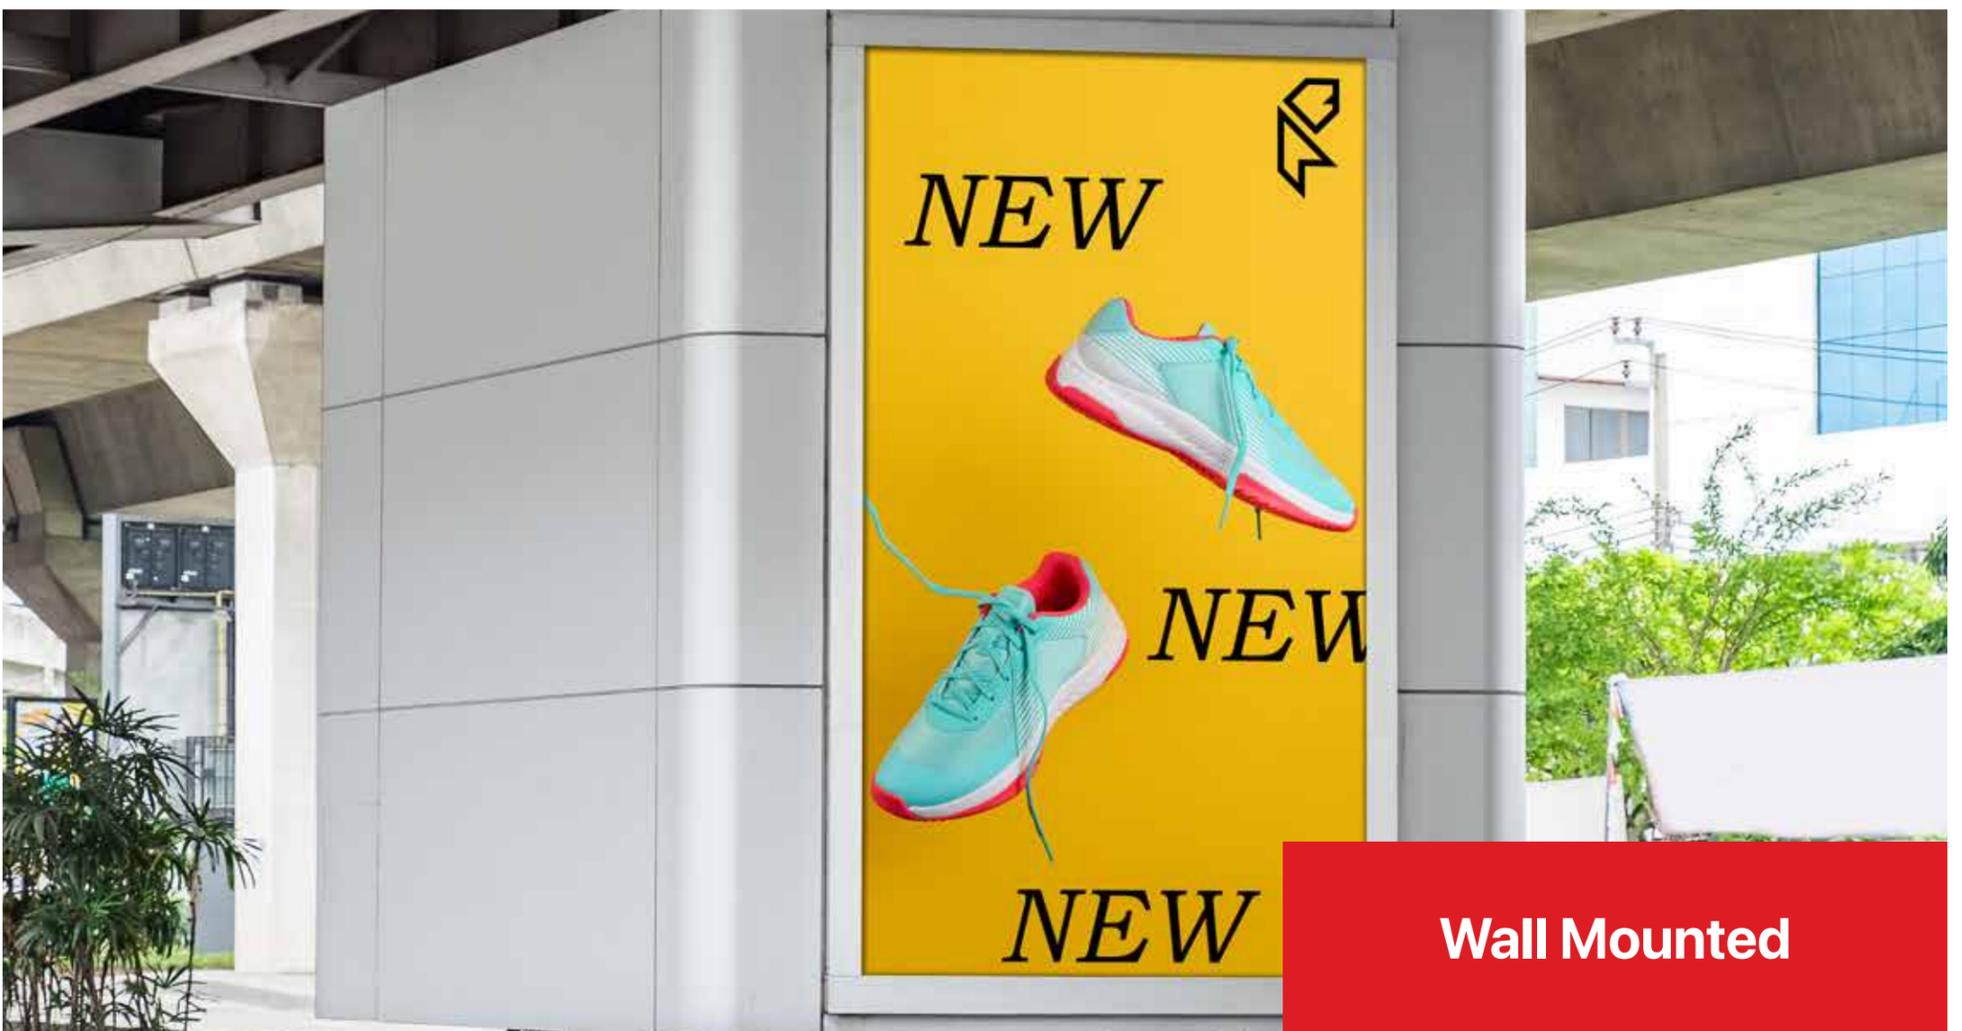

Ultra-thin design, wall-mounted installation, easier maintenance front & rear.

High protection grade: IP65 waterproof grade module
